Student Lifeguard Worker

Purpose

The job of Student Lifeguard Worker is done for the purpose/s of providing for safety of students and guests at an aquatic facility by anticipating, recognizing, responding to, and managing potentially dangerous situations, including emergency situations. This job reports to Administrator and/or Head Swimming Coach.

This job is distinguished from similar jobs by the following characteristics: This is a temporary position designed for current Natrona County School District high school students who meet academic eligibility requirements as described in Administrative Regulation 5300.

Essential Functions

- Assists with enforcement of facility and public health rules and regulations (e.g. pool, pool deck area, etc.) for the purpose of maintaining a clean and safe environment.

- Follows all District safety procedures (e.g. immediate response to hazardous situations; reporting accidents/incidents to supervisors, etc.) for the purpose of meeting immediate safety concerns and ensuring a healthy recreational environment.

- Monitors swimming pool activities for the purpose of enforcing established guidelines, as directed, and ensuring the safety and welfare of participants at the facility.

- Patrols pool area (e.g. swimming pool, deck, etc.) for the purpose of observing and ensuring participant and guest safety and compliance with facility rules.

- Performs tasks, as requested, in the general operations of an aquatic facility (e.g. physical tasks, mechanical tasks, moving equipment, etc.) for the purpose of meeting customer needs and department objectives.

- Represents the Natrona County School District to a variety of stakeholders (e.g. district personnel, students, parents, the community, etc.) for the purpose of providing prompt, professional, and courteous customer service with a positive attitude.

Other Functions

- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
