Landscape & Support Services Specialist

Purpose
The job of Landscape & Support Services Specialist is done for the purpose/s of maintaining grounds and buildings in attractive, safe, and functional condition; providing building support services; and ensuring assignments are completed safely, efficiently, and effectively. This job reports to Supervisor–Landscape & Support Services.

Essential Functions

- Applies pesticide/herbicide applications for the purpose of preserving the grounds in a healthy and safe condition within city, state and federal requirements.

- Assists in snow removal as required for the purpose of maintaining a safe environment.

- Cleans landscaped areas and related items (e.g. storm drains, walkways, etc.) for the purpose of preventing flooding and removing trash or hazards.

- Collaborates with Supervisor–Landscape & Support Services and other site administrators for the purpose of coordinating timing of work performed (e.g. adjusting irrigation schedules, spraying schedules, and field preparations).

- Informs supervisor regarding procedures and/or status of work orders for the purpose of providing necessary information for making decisions, taking appropriate action and/or complying with health and safety regulations.

- Inspects and maintains fire extinguishers and playgrounds as assigned for the purpose of ensuring compliance with reporting requirements and ensuring equipment is functional and meets city, state and District requirements.

- Maintains assigned tools, equipment, and vehicles (e.g. schedules maintenance, cleans, performs daily vehicle inspections, etc.) for the purpose of ensuring that vehicles, tools, equipment, and vehicles are in safe operating condition.

- Maintains and improves landscaping, athletic fields, parking lots, sidewalks, sprinkler systems (e.g. mow/trim lawns, rake leaves, pick up trash, plant/prune trees/hedges, patch asphalt parking lots, tear out and replace broken sidewalks, repair irrigation systems, etc.) for the purpose of preserving grounds in a healthy, attractive and safe condition.

- Operates heavy equipment (e.g. trucks, tractors, mowers, back hoe, dump trucks, scissor lift, etc.) for the purpose of maintaining District grounds and buildings.

- Performs routine manual labor (e.g. demolition, construct walls, repair roofs, install cabinets, remove and install plumbing fixtures, concrete and asphalt repairs, repair sprinkler systems, etc.) for the purpose of assisting Facilities & Operations department staff in completing projects safely, efficiently, and in a timely manner, and preserving buildings in healthy, attractive and safe condition.

- Prepares reports (e.g. work order system, preventive maintenance system, pesticide application records, fire extinguisher inspection records, etc.) for the purpose of providing documentation required by state and federal governments.

- Procures materials, supplies and equipment for the purpose of ensuring that adequate materials are available to complete assignments in a timely manner.

- Transports various items (e.g. sand, dirt, furniture, equipment, supplies, fertilizer, etc.) for the purpose of providing materials at job site and between school sites as required to complete tasks.
Other Functions
- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
